

**Before the State of South Carolina
Department of Insurance**

In the Matter of:)

Bruce A. Berley)

SCDOI File Number 08-1501

**Order Vacating Revocation of
All Licensing Privileges**

This matter comes before me pursuant to a recent order signed by me revoking all licenses issued to Bruce A. Berley by the South Carolina Department of Insurance.

On August 1, 2008, the South Carolina Department of Insurance (the Department) served an Order Revoking Producer License to Bruce A. Berley as required by S.C. Code Ann. § 38-3-170 (2002), certified mail, return receipt requested. That order informed Mr. Berley of his right to request a public hearing at the Administrative Law Court (ALC).

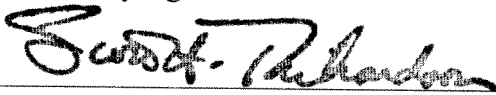

The July 30, 2008 letter that accompanied the order revoking Mr. Berley's producer license, also instructed Mr. Berley to mail a copy of his request for a hearing to the department.

The Department never received a copy of Mr. Berley's request for hearing to ALC, however, it has just recently come to the Department's attention from the ALC that on September 2, 2008 Mr. Berley did request a contested case hearing Before the ALC.

Therefore, I have determined that the proper action is to vacate the revocation of Mr. Berley's licenses and for the Department to proceed with its actions against Mr. Berley pursuant to the Order Revoking Producer License. It is therefore ordered that the revocation of all licenses issued by the South Carolina Department of Insurance to Bruce A. Berley by my order of July 30, 2008 is hereby vacated and the Department is instructed to proceed with its actions against Mr. Berley.

It is further ordered that a copy of this order shall be transmitted to the National Association of Insurance Commissioners for distribution to its current member states and to each insurer for which Mr. Berley was appointed in South Carolina as of the date of my revocation order.

This order becomes effective as of the date of my signature below.

Scott H. Richardson
Director of Insurance

Dated this 30 day of September 2008
